| Booth power and compressed air supplied off to booths | Monday, June 29 16:30 |
| All the exhibiting materials to be packed and removed from the hall | Monday, June 29 before 24:00 | N / A |

The move-in(move out schedules are subject to change, which will be noticed through Exhibitor Update.

1) All freight must be delivered, uncrated, and marked “empty” for storage by 16:00, Friday, June 26. SEMI will begin laying the aisle carpet shortly thereafter. Exhibits must be set and design by 22:00, Friday, June 26. If freight has arrived, but the booth is not set by 22:00, Friday, June 26. SEMI reserves the right to “force” set-up or to remove displays/materials from the exhibit floor at the exhibitor’s expense.

2) Dismantle of RAW Space booth structure must be finished by 24:00, Monday, June 29 for all exhibitors. Exhibitors who dismantle their booth structure prior to the official time will lose priority points and/or may be refused the opportunity to exhibit the following year.

1.5.2 Early Hall Access

During the show days (June 27-29), persons with an official “exhibitor” badge will have access to the hall beginning at 08:30.

1.5.3 Extended Working Hours

Extended working hours can make request to the floor manager or at onsite services counter located in No.2 Entrance Lobby (North Entrance Lobby) of Shanghai New International Expo Centre before 14:00 every day with an additional fee. The floor managers’ contact number will be announced soon.
Section 1 General Information

1.5.4 Penalty for Early Dismantle
Exhibits may not be dismantled nor equipment removed from the booth before the official closing time on 16:00, Monday, June 29. Exhibitors who dismantle their booth prior to the official closing time will lose priority points and booth deposit and/or may be refused the opportunity to exhibit the following year. Once dismantle begins, removal of exhibits and construction materials must be completed by 24:00 Monday, June 29.

1.5.5 Move-out permits
The Official Freight Forwarders will issue move-out permits to all exhibitors at on-site service counter near each hall entrance on June 29. Please complete the permit and the official freight forwarders will start to chop at 16:30.

1.6 2020 Important Notes
1.6.1 Safety Construction Management
1) Exhibitors who rent raw space must appoint their own contractors to set up the booth. Exhibitor appointed contractors (EACs) must read and observe all the rules & regulations in the (Safety Construction Guideline).
2) All Raw Space exhibitors must finish and return the Form 3 (Safety Construction Manager Registration Form) prior to May 22, 2020. The safety construction manager (exhibitor’s company full-time employee only) should be responsible for the onsite safety construction and the entire working process.
3) All raw space EACs are required to pay the construction deposit and hall management fee to the official contractor, MEGA EXPO, before May 22, 2020. In order to simplify the move-in procedure, all EACs/Exhibitors are recommended to pay the construction deposit and hall management fee to MEGA EXPO online before May 22, 2020. Please refer to Section 5 for details.

1.6.2 Onsite Service Counter
Onsite service counter will be located in No.2 Entrance Lobby (North Entrance Lobby) of Shanghai New International Expo Centre during set up/dismantle period.

Compressed Air
Compressed air must be ordered thru Form 6. Portable compressors are not allowed in exhibitors’ booth or utility aisles at any time. For special request, please contact MEGA EXPO.

Conference/Meeting Rooms
Conference rooms are available at Shanghai New International Expo Centre (SNIEC). To check on the cost and availability, please refer to Form13.

Cross-Aisle Carpet
Cross aisle carpet will be allowed to join exhibits for an additional charge upon written approval from SEMI China, which should be at least 30 days prior to the exposition opening. A fee of 25% of the raw space rate will be applied. Aisle carpet must be pulled up immediately upon the close of the exhibition.

Damage
Exhibitors will be charged for the cost of making goods, restoring or renewing any damages to the hall on site. For example, damage of the exhibiting floor or the main power supply box, etc.

Decoration
Show Management has the authority to determine whether placement, arrangement and appearance of all items displayed by the exhibitor are in compliance with the exposition
standards. This may require the replacement, rearrangement or redecoration of any item or of any booth. Show Management is not liable for any cost that may be incurred by the exhibitor.

All booth spaces (unless otherwise specified) must be fully carpeted or covered. Carpeting enhances your corporate image and continues the overall professional look of the exposition. You may supply your own carpet or rent it from MEGA EXPO. All floor coverings must be fire retardant in compliance with local fire department regulations. According to the latest fire control regulations, booth construction materials and carpet must be fire-resistant to reach the burning level B1. Ceiling of the booth can't be closed entirely, various elastic fabrics are prohibited, and wooden materials must be in fire-resistant coating finish. For the sake of safety, SEMI China kindly suggests all decorators and exhibitor to comply with above regulation and evidence must be available and presented upon request.

**Disabled Visitors**

All disabled people must be given the same opportunities as able-bodied persons. This includes the ability to attend exhibitions and look at any of the exhibits. We would ask that you ensure that your booth and exhibits are easily accessible to those disabled visitors with wheelchairs. Any booth with a platform should provide an appropriate access ramp.

SEMI SHOW MANAGEMENT RESERVES THE RIGHT TO PURSUE ANY ACTION IT DEEMS NECESSARY IN THE BEST INTEREST OF THE EXPOSITION AND IN FAIRNESS TO ALL EXHIBITORS.

14
Section 3 Exhibitor Responsibilities & Liabilities

3.1 Amendments / General Supervision

All exhibit matters and questions not covered by these rules and regulations are subject to the decision of SEMI Show Management. These rules and regulations may be amended at any time by SEMI and all the amendments that may be so made shall be equally binding to/on all parties affected by them as they are by the original rules and regulations. In the event of any amendment or addition to these rules and regulations, written notice will be given by SEMI to such Exhibitors as may be affected thereby.

SEMI SHOW MANAGEMENT RESERVES THE RIGHT TO REJECT, OR PROHIBIT ANY EXHIBIT, WHOLE OR IN PART, OR ANY EXHIBITOR AND HIS REPRESENTATIVES, BASED SOLELY ON ITS JUDGMENT, DISCRETION, AND AUTHORITY. PLEASE REFER TO YOUR SEMICON EXHIBIT SPACE APPLICATION / CONTRACT FOR ADDITIONAL RULES AND REGULATIONS.

3.2 Default in Occupancy

Any Exhibitor failing to occupy contracted space is not relieved of the payment of the full rental of such space. All display systems and equipment/products must be installed and complete prior to 22:00 Friday, June 26. Unoccupied space may be repossessed by Show Management for such purpose as it may see fit. Failure to notify SEMI Show Management of cancellation in advance will cause exhibitor to lose priority for exhibit space.

3.3 Exhibitor Liability

The Exhibitor assumes full financial liability for damage to the facility or neighboring exhibits caused by the construction of the exhibitor’s booth structure. The Exhibitor may not apply paint, lacquer, adhesives or other coating to building columns, walls or floors.

In the event any part of the exhibit hall is destroyed or damaged so as to prevent SEMI from permitting an Exhibitor to occupy assigned space during any part or the whole exhibition period; or in the event where occupation of assigned space during any part or the whole exhibition period is prevented by strike, acts of nature, national emergency, or other cause beyond the control of SEMI; the Exhibitor hereby waives any claim against SEMI beyond a refund of rent paid for the period it was prevented from using the space, less a proportionate share of the exposition expenses incurred by SEMI.

In addition to the Rules and Regulations listed on the back of the exhibit space application/contract, the SEMICON rules and regulations have been established in consideration of all participants (Exhibitors, attendees, service contractors, building management, and Show Management) and apply to all participants throughout the show.

3.4 Limitation of Liability / Insurance

SEMI would like to remind the Exhibitor of the limits of liability as agreed to on the back of the original signed application/contract for exhibit space.

3.5 Reselling / Use of Space

The Exhibitor may not assign, sublet or resell; in whole or in part, their contracted space. The company logo and name shows on raw space shall be limited to the contracting company itself, the company logo and name of non-contracting company should not be shown in a prominent place in principle. Contracted exhibit space must appear as one unified booth. All booths must be staffed during exhibition hours.

3.6 Violations and Penalties

SEMI Show Management may, at its discretion, eliminate or reduce priority points for violation of these rules and regulations and impose a penalty fee as outlined below. In
addition, substantial violation of these rules and regulations by the Exhibitor, its employees, or agents may, at the option of Show Management, forfeit the Exhibitor’s right to occupy exhibit space and such Exhibitor shall forfeit to SEMI all moneys paid or due.

Exhibitors can contact SEMI Show Management for any questions before arriving at the venue. Failure to comply with the exposition rules will result in the following loss of priority points.

If not corrected by the end of:

<table>
<thead>
<tr>
<th>Set-Up Period</th>
<th>+10% reduction</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st Exhibit Day</td>
<td>+10% additional reduction</td>
</tr>
<tr>

</tr>
<tr>
<td>3rd Exhibit Day</td>
<td>+10% additional reduction</td>
</tr>
<tr>
<td>Total</td>
<td>40% possible reduction of priority points</td>
</tr>
</tbody>
</table>

And result in the following monetary penalty:

Minimum Fee (for 1 booth): USD 3,000.00
Each additional booth is an additional USD 1,000.00

For example:

- 1 booth = USD 3,000.00
- 2 booths = USD 4,000.00
- 3 booths = USD 5,000.00

Upon evidence of substantial violation, SEMI may enter and take possession of the space occupied by the Exhibitor and may remove all persons and goods at the Exhibitor’s risk. The Exhibitor shall pay all expenses and damages that SEMI may thereby incur.

It is to your advantage to contact SEMI Show Management prior to arriving on-site with any questions.

3.7 Theft / Damages

Report thefts or damages immediately to both Security and Show Management if found.

Venue Police Information:
Location: Glass house (east of W4, near inside square)
Tel: +86.21.2890.6110

Venue Property Office Information:
Location: 2F, E6

- Protection is incurred at USD2.00 per kg based on chargeable weight, min. USD200.00 per consignment.

10) Vacuum Packing Service (If Required)
APT can provide vacuum packing service to protect machines. If vacuum packing is required, please book in advance with APT by one day before show opening. Vacuum packing fee will be quoted as per request.

11) Cancellation of Temporary Import for Given-Aways (If Any)
Cancellation of temporary import fee for all give away or consumed items and tax/duty will be levied after show. Individual duty receipt is not available, full commodity assessment will take place against only one official duty receipt for entire show. As per customs regulations, all items with consumable / permanent entry restriction on this manual page 3 - 4 can’t be consumed and must be re-exported at show close. Customs formalities fee: USD130.00/consignment/exhibitor, Customs duty & tax: at cost (normally 30% CIF value) + 10% prepay handling fee.

12) Early / Late Arrivals
An early arrival surcharge will be applicable if the shipment arrives before the stipulated deadlines and will bill exhibitor as per outlay plus 10% reimbursement fee.

A late arrival surcharge of 30% (based on basic handling rate) will be applicable if the shipment arrives after the stipulated deadlines.
In the event of late arrivals, APT will make all reasonable efforts to ensure delivery before the show opens; however, no guarantee can be given. The surcharge will apply regardless of delivery date to the show site.

13) Heavy-lift Surcharges
Our tariff for sea freight and air freight consignments is applicable for exhibits not exceeding 3,000 kg per package or any dimension exceeding L3.0m x W2.2m x H2.1m. Heavy and over-size exhibits will be incurred additional charges, will depend on the detailed weight & dimension of equipment to quote individually.

The completed forms should reach us before shipment dispatched, relevant charges will be quoted upon request.

15) Temporary Importation
The Chinese Authorities permit exhibits to be imported into China on temporary importation basis on approved trade shows. Temporary import is allowed for 1 month
Section 4 Freight Handling

from the date of entry and must be re-exported after show closing. Extension of temporary import is allowed subject to Customs’ approval. ATA Carnet is accepted for temporary import in China, but ONLY for purpose as ‘Exhibition & Fairs’. Customs Bond Fee will be levied for temporary import shipment without ATA Carnet.

All exhibition goods by temporary import are under Customs control. Exhibitors should not allow their exhibits to be sold, abandoned or taken away from the fairground without prior agreement with the China Customs through APT Showfreight, otherwise exhibitors will get severe punishment by the China Customs.

16) Controlled Items in China

In case the shipment contains any controlled items by the Chinese Government, we strongly recommend that the list of exhibits (LOE) should be e-mailed to APT Showfreight for checking prior to the shipment departure from the country of origin.

If required, APT Showfreight may apply necessary license/ permit on behalf of the exhibitors, but under no circumstances that APT Showfreight can guarantee such license will be granted.

The importation of below commodities is under Customs strict control even for exhibition purpose and subject to special permit in China:

5.3.5 Exhibit Installation & Dismantling

If you, as the exhibitor, have contracted for raw space, you may use your own bona fide personnel, hire labor through a temporary agency, or utilize the services from the a.m. decorators recommended by SEMI. If you are having a shell scheme package, your stand will be finished before your arriving.

1) Installation: Hours and dates for installation, the exhibition, and dismantling are specified in 1.5.1 Move-in & Move-out Dates and Times of this manual, Section 1. Extended hours for set-up can be requested at onsite services counter located in No.2 Entrance Lobby (North Entrance Lobby) of Shanghai New International Expo Centre before 14:00 every day with an additional fee. All crates must be tagged and ready for removal by 16:00 on Friday, June 26. SEMI will begin laying the aisle carpet shortly thereafter. For those exhibits not set up by 22:00 on Friday, June 26 and that do not have a prior variance, SEMI reserves the right to force set-up or to remove displays/material from the exhibit floor at the Exhibitor's expense. Exhibitors who do not meet the set-up deadline may forfeit the use of their booth space in subsequent expositions.

2) Dismantle: Exhibitors are required to maintain their exhibit intact until the close of the exhibition. On the last exhibition day, “dismantle” procedures will be distributed to each exhibiting company. Each Exhibitor must complete arrangements for the removal of exhibit material in accordance with the dismantle procedures. Exhibitors shall be liable for all storage and handling charges resulting from failure to remove materials from the exhibition hall before the conclusion of the dismantling period.

5.3.6 Technical Installations on Stands

1) The inlets, outlets and connections to be installed on the stand must be ordered from the facility by completing the corresponding order form which can be found in Form Section of this manual.

2) Exhibitors are strictly forbidden to install their own connections to the floor boxes.

3) Official controllers, being fully empowered to authorize or prohibit the installation or to require alterations so as to meet technical and legal requirements, will inspect all on-stand installations.
4) Exhibitors are liable for any technical faults or damage that may result from non-compliance with the provisions as stipulated by the facility.

5) All connecting boxes in operation on the floor must be accessible at all times.

6) A sketch showing the desired position of the installations must accompany all order forms.

5.3.7 Rules and regulations for Raw Space Exhibitor:
1) Wall Requirements
   All booths, except island configurations, must provide a full back wall, minimum of 2.4 meters (8") in height. All exposed walls must be finished on all sides at the expense of the exhibitor who owns the walls. All exposed wall areas or exposed structures must be covered by white PVC cloth without any graphics or texts. If the back wall did not meet the above requirements, penalty will be deducted from the construction deposit.

2) Identification / Signage / Graphics
   Displays must be confined within the exhibitor’s booth and must not be designed to obstruct the clear view of nearby booths or interfere with the flow of traffic - example: video monitor(s) should be placed where visitors viewing the monitor(s) do not block the aisle. Machinery, equipment, or products cannot be shown on a raised/built-up platform or counter if they interfere with height limitations.

3) Top view

4) During SEMICON CHINA 2020, SNIEC will no long provide hanging structure service
   With the increasing growth of SEMICON China, Some special designed booth are using hanging structure which brings serious safety issue but also much delay the move-in process. According to the regulation from the show venue (SNIEC), the venue will no long provide hanging structure service to all SEMICON China raw space exhibitors. All booths are required to be built from the ground only without any hanging structure. This change will apply to all exhibitors without any exception.

5) Decoration
Section 5 Decorated and Rental

Show Management has the authority to determine whether placement, arrangement and appearance of all items displayed by the exhibitor are in compliance with the exposition standards. This may require the replacement, rearrangement or redecoration of any item or of any booth. Show Management is not liable for any cost that may be incurred by the exhibitor.

All booth spaces (unless otherwise specified) must be fully carpeted or covered. Carpeting enhances your corporate image and continues the overall professional look of the exposition. You may supply your own carpet or rent it from the official service contractor. All floor coverings must be fire retardant in compliance with local fire department regulations. (Refer to Item 9 “Fireproofing”)

6) Booth Identification
   - Placement: Company identification cannot be placed/erected outside the booth area.
   - Signs: All signs, posters and booth graphics must be professionally lettered and in compliance within the proper height limitations. Show Management reserves the right to change or remove signs (at the exhibitor’s expense) that are not in keeping with the overall quality standards of the exposition.

7) Cross Aisle Configurations
   a) Upon written approval from SEMI, cross aisle carpet will be allowed to join exhibits for an additional charge. Requests, in writing, should be directed to:

      SEMI China Customer Service Representative:
      TEL: +86.21.6027.8500
      FAX: +86.21.6027.8511
      Email: semichina@semi.org

   b) Regulations regarding cross aisle carpets are:
      - Written approval from SEMI, at least 30 days prior to the exposition opening.
      - Aisle carpet may not be laid until the official service contractor has granted permission.
      - Aisle carpet must be pulled up immediately upon the close of the exhibition.
      - Company logos/company identification is allowed on cross-aisle carpet.
      - Carpet that is laid in the aisle must be the same color as the booth carpeting that is connecting.
      - Any sign that crosses the aisle and sits above the aisle, such as an arch, is prohibited in any SEMICON exhibition.

3) Cost:
Section 5 Decorated and Rental

- A fee of 25% of the raw space rate will be applied if carpet is placed in the aisle resulting in a visible linking of any type of booth structure. This aisle space MUST be kept completely free and is for public traffic only.

- SEMI reserves the right to invoice after the show if the above conditions are found to exist at show site.

- Please note: Cross aisle headers are NOT allowed at any SEMICON event.

8) Electrical Wiring
Use of another Exhibitor’s electrical hook-up is strictly forbidden due to potential fire and hazard risks. In the event that the exhibit hall is damaged or destroyed due to negligence or failure on the part of the exhibitor to comply with the local fire agency’s fire and hazard regulations, the Exhibitor is responsible and liable for all damages incurred.

9) Fire Protection Measures/Fireproofing
All materials used in the construction and decoration of an exhibit must be flame retardant. All carpeting and floor coverings must have Class 1 flame spread rating and UL between 0 and 25. No storage of flammable materials is allowed in the utility areas.

10) False Ceilings/Canopies
Water penetrable materials must be used in false ceilings and must conform to local fire code. Impenetrable materials are forbidden due to the potential fire and safety risks.

11) Hazardous Items
Hazardous items used in displays must be properly safeguarded, protected and registered in accordance with applicable government regulations. Hazardous items that would typically fall under these requirements include, but are not restricted to, the following:
- Evacuated containers or components
- Radioactive materials
- X-ray producing equipment
- Equipment demonstrations must not pose a radiation hazard. If the equipment has energy beams that might be potentially hazardous, they must be de-activated or made inoperable before installation.
- High voltage equipment
- Particle accelerators
- Flammable and explosive materials
- All gas tanks/bottles/cylinders, which must be properly secured or harnessed to meet all safety standards
Section 5 Decorated and Rental

Any hazardous items present in a display must be approved by the local fire department/agencies in writing, with copies to SEMI Show Management, 60 days before the exposition.

12) Lighting
Overstatement in lighting design is to be avoided. Annoying devices such as the use of flashing, rotating, or blinking lights (strobe, beacons, etc.) in an exhibit is strictly prohibited. All lighting effects (including ‘gobos’) must be contained within the confines of the booth.

13) Noise
In general, exhibitors may use sound equipment in their booths so long as the noise level does not disrupt the activities of neighboring exhibitors. Speakers and other sound devices should be positioned so as to direct sound into the booth rather than into the aisle. General Rule: Sound and noise should not exceed 75 decibels.

14) Tipping
SEMI and all service contractors request that there be no tipping at any time.

15) Violations and Penalties
Exhibitors can contact SEMI Show Management for any questions before arriving at the venue.
SEMI Show Management may, at its discretion, eliminate or reduce priority points for violation of these rules and regulations and impose a penalty fee as outlined below. In addition, substantial violation of these rules and regulations by the Exhibitor, its employees, or agents may, at the option of Show Management, forfeit the Exhibitor’s right to occupy exhibit space and such Exhibitor shall forfeit to SEMI all moneys paid or due.

5.3.8 Package Booth
Considering the extra high cost on Raw Space booth decoration, SEMI here provide some package booths design to help exhibitors to save cost and get conveniences.

Section 8 Measures on Complaints and Their Handling of Suspected IPRs Infringement

8.1 General provisions

Article 1 These Measures are formulated in accordance with the relevant national laws and administrative regulations to enhance the intellectual property rights (IPRs) protection during SEMICON China 2020 (“SEMICON”), maintain the normal transaction order, and safeguard the lawful rights and interests of the exhibitors and IPRs holders.

Article 2 These Measures are only applicable to the protection of the relevant IPRs during SEMICON.

Article 3 The exhibitors shall strictly perform their committed obligations of protecting the IPRs during SEMICON.

8.2 Complaint management

Article 4 The Reception Center for IPRs and Trade Dispute Complaints (“Complaint Center”) set up by the organizer is the sole institution that accepts complaints about IPRs. SEMICON has invited the IPRs-related administrative law-enforcement department of the local government to go to the exhibition for the work at Complaint Center.

Article 5 The Complaint Center only accepts complaints about suspected IPRs infringement (“suspected infringement”) arising inside the exhibition hall during the current SEMICON.

Article 6 Any IPRs dispute arising inside the exhibition hall during the current SEMICON shall be handled in accordance with the complaint procedure specified in these Measures. Any person, who fails to negotiate with the suspected infringing party directly through Complaint Center, and disturbs the order in exhibition hall, shall be treated as violation of the management provisions on exhibition order.

Article 7 If the exhibits, exhibits package, publicity materials or any other part of the booth of the exhibitors own proprietary IPRs, such enterprise shall participate with relevant ownership certificates for inspection when necessary.

Article 8 In the event that exhibitor breaches relevant agreement with the SEMICON, and disputes arise out of such breach of the IPRs of other enterprises on the exhibits, exhibits package, publicity materials or any other part of the booth on the exhibition, such exhibitor shall indemnify all expenses and loss to the party concerned.

Article 9 If the complainant files a complaint to SEMICON in accordance with these Measures, and requests SEMICON to handle such complaint against the respondent in accordance with these Measures, such complainant shall agree to pay relevant units of SEMICON the expenses incurred for handling such complaint and indemnify the respondent against any possible loss arising thereof.
8.3 Complaint procedure

**Article 10** Any person holding valid certificates to attend the current SEMICON, may lodge a complaint to the Complaint Center, in case of any suspected infringement spotted on the exhibits and publicity materials displayed in the booth or any part of the exhibits in the exhibition hall.

**Article 11** Before filing a complaint, the complainant shall present the ownership certification to the personnel in Complaint Center. With respect to the same infringement case about patent or copyright complaint that has been handled by Complaint Center in the last SEMICON, which occurs in the current SEMICON, the complainant shall also present the follow-up legal documents through legal channels after the closing of last SEMICON. If the complainant fails to do so, the Complaint Center will not accept such complaint. The Complaint Center does not accept a repeated complaint about the same IPRs by the same complainant against the same respondent.

**Article 12** After the above relevant documents are certified effective by personnel in the Complaint Center, the complainant shall fill in Complaint Application form as required. See Annex I for the format.

**Article 13** The Complaint Center shall arrange staff to deal with the case upon the reception of the Letter of Complaint. The respondent shall cooperate with the Complaint Center to deal with the case as the exhibitor's representative specified in the official record of SEMICON.

**Article 14** Inversion principle of burden of proof shall be applied to handle cases of infringement on patent and copyright. In the event that the respondent is accused of being suspected of infringing in his/her the exhibits, publicity materials or any other part of the booth, such respondent shall immediately prove his non-infringement by demonstrating relevant certificate of rights or other evidences to prove its possession of legitimate rights and interests for the items alleged. The respondent shall accordingly be required to examine the alleged items with staff from the Complaint Center.

**Article 15** In the event that the respondent fails to effectively prove its non-infringement on site, the items alleged shall be temporarily detained by the Complaint Center. Meanwhile, the respondent shall sign on the Letter of Commitment for Non-infringement on IPRs to commit that it will not operate or exhibit the items alleged in case of its inability of providing effective evidences upon such complaint arises. The Letter of Commitment for Non-infringement on IPRs shall be made out in duplicates, with the respondent and the Complaint Center holding one copy respectively. See Annex II for the format,

Article 16 In the event that the respondent disagrees with the result by the Complaint Center, it may provide supplementary evidences of non-infringement to the Complaint Center within one working day (based on the schedule of SEMICON). The temporarily detained items shall be immediately returned to the exhibitor and be allowed for further exhibition provided that the proof is effective; otherwise, those items shall be confiscated by SEMICON and forbidden in the exhibition.

Article 17 The complainant shall not to take any legal measures against the respondent in the exhibition hall prior to the close of the current SEMICON and subsequent to that the Complaint Center has settled the case in accordance with the provisions herein and that the outcomes have been accepted by the respondent.

Article 18 Subsequent to the closing of SEMICON, the Complaint Center shall keep the name list of the exhibitors suspected to have infringed on IPRs on the current SEMICON for record.

8.4 Punishment

Article 19 Responsibility for all infringement occurred in the booth shall be borne by the exhibitor who has entered into the Exhibition and been registered by SEMICON. The exhibitor shall accordingly accept the settlements finalized by SEMICON. The infringement committed by joint exhibitors shall be treated with reference to that of the exhibitor.

Article 20 Any complaint involving infringement on patent and copyright shall be resolved according to the procedures defined in these Measures by the Complaint Center. Exhibitors who fail to provide effective evidences of non-infringement shall be regarded as being “suspected of infringement” and the alleged exhibits will be forbidden in the exhibition, and be penalized in accordance with the provisions in these Measures.

Article 21 In the event that the exhibitor accused refuses to cooperate with the Complaint Center regarding any kinds of investigation and inspection, the Complaint Center shall be authorized to confiscate its badge, circulate a notice of criticism or cancel its qualification for next SEMICON subsequent to an invalid persuasion.

Article 22 Should the exhibitor be found to exhibit the same alleged exhibit in the same booth subsequent to an initial settlement has been performed by the Complaint Center, SEMICON may confiscate the badges of the aforesaid staff in such booth, and cancel its qualification for the current SEMICON.

Article 23 For the exhibitor suspected of infringement during one session of SMEINCON, the SEMINCON will keep it for record; for the exhibitor suspected of infringement on patent and copyright for two consecutive or accumulative sessions, such exhibitor shall be prohibited from participating in the SEMICON.
Section 8 Measures on Complaints and Their Handling of Suspected IPRs Infringement

Article 24  In the event that the exhibitor committed counterfeiting or imitating IPRs, or judged as infringing IPRs through administrative or judicial channels, the exhibitor continues to display such alleged items in SEMICON booth, such exhibitor shall be prohibited from participating in the SEMICON.

8.5 Interpretation of terminologies

Article 25  Intellectual Property Rights, in accordance with TRIPS (Agreement On Trade-Related Aspects of Intellectual Property Rights) of WTO, shall include the following:
(a) Copyright and Related Rights
(b) Trademark Right
(c) Geographical Indications
(d) Industrial Designs
(e) Patents
(f) Layout-Designs (Topographies) of Integrated Circuits
(g) Protection of Undisclosed Information

Article 26  Exhibitor - the suspected infringing exhibitor referred to under these Measures is aligned with the name of the booth application enterprise (namely company marked on streamer). If the direct suspected infringer is exhibitor itself, a subsidiary company, an affiliated unit, goods supplying unit or cooperating unit, the punishment specified in Article 3 “Punishment” in these Measures, in addition to the above exhibitor, shall also be applicable to related suspected infringing enterprise with reference to the exhibitor.

Article 27  Documentary evidence— it refers to the ownership document of IPRs, including certification documents required by laws and regulations of the People’s Republic of China and documents required by the Complaint Center for the complainant or the respondent as per actual situation.

8.6 Supplementary provisions

Article 28  No matter whether the Complaint Center has made settlement on the respondent, after the closing of the current session of SEMICON, if the Complainant intends to take further legal acts against the respondent, it shall be subject to administrative or judicial department of the place where it is located.

Article 29  Subsequent to the closing of SEMINCON, the Complaint Center will analyze related complaint data and report the name list of the exhibitors suspected to have infringed on IPRs to related departments.

Article 30  The right to interpretation of these Measures belongs to SEMI.

Article 31  These Measures comes into effect since the date of release. In case of any conflict between the previous relevant regulations of SEMICON and these Measures, the latter shall prevail.
